

**VI International Conference on  
Mechanochemistry and Mechanical Alloying  
(INCOME2008)**

1-4 December, 2008, Jamshedpur, INDIA

**GUIDELINES FOR PREPARATION OF MANUSCRIPT**

**General**

1. Manuscript: to be typed in Microsoft Word
2. Number of pages: Maximum 25 pages (A4 size i.e. 21x29.69 cm) including figures and tables
3. Line spacing: 1.5
4. Margin: 25 mm all around
5. Font type: Times New Roman
6. Font size: 12 points
7. Alignment: Full justification
8. Headings: Numbered sequentially as 1, 2 etc. and subheadings as 1.1, 1.2 etc.
9. Other: Leave one blank line between two sections/paragraphs/items (e.g. title and author affiliation, author affiliation and abstract etc)

**Title**

- Title: in uppercase letters  
Font type: Times New Roman  
Font size: 14 pts  
Font style: bold  
Alignment: centered

**Authors and affiliations**

List name of all authors followed by their affiliations. Use superscript numeric identifiers to link each author with affiliation. The e-mail address, telephone number and fax number of corresponding author is to be given as footnote on first page.

**Abstract and keywords**

About 200 words abstract followed by a blank line and maximum five key words

**Tables and Figures**

1. Tables should be numbered as Table 1, Table 2 etc. with title.
2. Figures should be referred as Fig.1, Fig.2 etc. At the beginning of a sentence, it should be referred as Figure 1, Figure 2 etc.
3. Tables and Figures should appear at the end of the manuscript after references.
4. Figures should have sufficient resolution (preferably 600 dpi for micrographs and 300 dpi for line drawings) before inserting them in manuscript.
5. Figures in black and white and not in color. unless it is absolutely necessary
6. Maximum of four figures per page is recommended.

## Units

SI units with standard abbreviation are mandatory.

## Mathematical symbols and expressions

1. All mathematical symbols and equations should be printed in italics.
2. The equations should be numbered sequentially using Indian numerals in braces aligned with the right margin of the text.
3. References to equations in the text should be as eq. (1) or, as Equation (1) if it appears at the beginning of a sentence.

## References

References should be indicated by numerals in square brackets such as [1-5, 6]. List of references should conform to the following style:

1. S.R. Swanson, *J. Eng. Mater. Technol.*, **115** (1993) 116.
2. J.G. Morley, *High Performance Fiber Composites*, Academic Press, Orlando, FL, (1987).
3. A.H. Cottrell, *Dislocations and Plastic Flow in Crystals*, Clarendon Press, Oxford (1953), p. 134.
4. D.B. Spading, in *Turbulent Mixing in Reactive and Nonreactive Flows*, (ed.) S.N. Murthy, Plenum Press, New York (1976), p. 85.
5. M.J. Owen and S. Morris, Proceedings of the first *International Conference on Carbon Fibers, their Composites and Applications*, Plastic Institute, London, (1988), p.51.
6. M. Attlegard, Y. Bergstrom, C.G. Lenasson, L.A. Norstrom, and W. Roberts, *An assessment of Dynamic Strain Ageing in Austenitic Stainless Steels through the Application of a Dislocation Model*, Report IM-993, Swedish Institute of Metal Research, Stockholm (1974).

### Submission Instructions

It is desired that file size is restricted to 5MB. In case of larger file size, it should be split in more than one part and submitted. Two versions of the manuscript, one as .doc file and the other as .pdf file are to be submitted. All submitted files should be named as '<Country>\_<presenting/first author name>\_<any other identifier>'. Any other identifier may refer to manuscript number (if the same author has more than one paper to submit), original (O)/revised (R) manuscript etc (example : India\_Pradipta et al\_10.doc).

Manuscripts should be submitted online at <http://www.income2008.org> or sent as an email attachment to [rakesh.nmlindia@gmail.com](mailto:rakesh.nmlindia@gmail.com) or [income2008@nmlindia.org](mailto:income2008@nmlindia.org)

Last date of submission is 31 October, 2008.
